Sir,

I have the honour to state that St.Agnes and St. Mary's Girls High Schools, Mangalore,were permitted to adopt during 1946--47 English medium in one section of Form III and above in the G.O. referred to above, but the Correspondents of the schools have now brought to my notice that they ~~have~~ adopted English medium in one section of Forms I to VI. This may kindly be ratified by Government as a special case.

2. The managements of the two schools request that they may be permitted to adopt English medium in Form II and above during the year 1947--48. I recommend that the request of the managements may be granted on condition that they introduce the regional language as the medium progressively..
